

News @ NovoBliss

NovoBliss Research recently relocated to a larger, state-of-the-art facility, reflecting its rapid growth and commitment to innovation. With a significantly expanded team of specialists and researchers, the company has invested in cutting-edge technology to enhance its research capabilities. This move allows NovoBliss to streamline operations, conduct more advanced studies, and provide even more comprehensive, tailored solutions for their clients. By scaling up its infrastructure, the company aims to deliver higher-quality services, increase efficiency, and foster greater collaboration across its teams, ensuring that client needs are met with unparalleled precision and expertise.

Annual EXPO

Dr. Nayan and the NovoBliss Research team participated as exhibitors at the Cosmetic Ingredients Expo, held on August 30-31, 2024, at the Chennai Trade Centre. The expo focused on innovation, sustainability, and customer-centric solutions, key factors driving the future of the cosmetic and personal care industries.

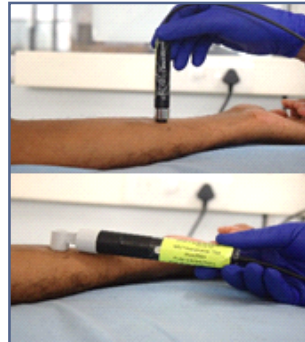

Successfully Completed Clinical Studies:

We have successfully completed several clinical studies evaluating the safety and efficacy of a Hair Growth Serum, Deep Moisturizing Cream for barrier repair and moisture kinetics, a Cold Relief Roll-on for babies, and treatments for Erectile Dysfunction in OTC products. These studies provide robust scientific evidence supporting the performance and safety of these products, reinforcing their therapeutic benefits and suitability for consumer use.

Ganesh Chaturthi Celebration

This year, NovoBliss Research came together to celebrate Ganesh Chaturthi with great enthusiasm and devotion. The event was marked by a traditional Ganesh Pooja with Chhappan-Bhog (56) arranged by Team, followed by a short prayer ceremony to invoke blessings for prosperity, success, and the well-being of all.

Employees actively participated in the decoration of the office, creating a festive atmosphere with vibrant rangolis and flower arrangements. The festivities included chanting of prayers, offering of sweets (modaks), and sharing cultural stories about Lord Ganesha's significance in removing obstacles and bringing harmony.
